Volunteer Opportunity: Be the difference in the life of a child! The Marinette County CASA Program provides volunteer advocates for abused and neglected children who are under the legal protection of the court system. Volunteers visit with the child regularly and submit a monthly report to the judge to help the judge make important decisions about the child's future. If you are 21 years of age and willing to dedicate about 4 hours per month to advocate for a child in need, please contact Taylor Connell at taylor@casabc.org or (715) 741-2272. The next training session will be held soon.
