We will observe whatever the current mandates are and we are going to ask you to clean surfaces at the end of class. Join us next week, we will be learning- God's purposes are best served when the church and the state remain separate.

Bible Class Lesson 3: The church should not interfere with the state, nor should the state interfere with the church. When the church tries to function as the state, it forsakes the gospel in favor of the sword. When the state tries to function as the church, it uses the sword to do what only the gospel can accomplish. Christians in our culture who are active in the political world have to be especially careful to remember this. *On the back table in church we have Prayers booklets for the election year, please feel free to take one.*

Playground Pick-Up: We are looking for any volunteers who are willing and able to meet at the school with a sturdy rake! We are looking at raking up some of the wood chips to help fill in the holes around the playground equipment. If you are willing and able please meet on today *Sunday, October 18th from 2:00 pm- 4:00pm* (it may not take 2 hours) Our rain date is set for: Sunday, October 25th from 2:00pm- 4:00pm

Online Survey: Thank you to everyone who gave input on this year's Trunk or Treat and Christmas for Kid's. After the review of your answers, unfortunately this year we will not be having Trunk or Treat this year. We still are unsure on if we will hold our Christmas for Kids. This has been a great opportunity for outreach and to bring the true meaning of Christmas to the community.
