We will observe whatever the current mandates are and we are going to ask you to clean surfaces at the end of class. Join us next week, we will be learning- God's purposes are best served when the church and the state remain separate.

----- **Bible Class Lesson 4:** Jesus says that we are IN the world but not OF the world. In a democracy, we have the unique privilege of participating in our government. God's people shine when they do so, as they do in every walk of life.

However, participating in politics today will bring a unique set of challenges. It is hard to maintain the "narrow Lutheran middle" when partisan politics push us to extremes.

On the back table in church we have Prayers booklets for the election year, please feel free to take one.
