Daily Devotions: Pastor is sending daily devotions through email each day. If you would like a printed copy, please contact the church office.

Church Online: Until the ban is lifted, we're worshipping online. You can get to "church" on our website trinitymarinette.com and click on the sermon for Sunday. Join us! If you have some pictures you are willing to share in our worship video on Sunday, please send them in! It's always wonderful to see the faces of our Trinity family. We'll get to see you as we sing hymns together. We can't gather the children to have a children's sermon, so we're linking previous Children's sermons to each week's message. See if you can spot yourself or one of the kids. They grow so quickly!

CDs and DVDs: Available - We record each worship service, even the online ones. If you know of someone who would like the service on DVD or the audio on CD, please let us know. We're happy to share them. If you know of someone who would like a printed copy of the bulletin, please contact the church office and we'll get one to you right away.

Your Part of God's Work: We know that God will end the pandemic sooner or later. God's work must still continue. If God has given you the gift of leadership, you can serve God on our council or on our boards. Contact Pastor or any board member to find out what's involved. The ministry at Trinity depends on faithful workers using their gifts in God's service.

New Website: We're launched our new website! The idea is to make our ministry more easily available. The new website should be much simpler and it will work much better on smart phones. If you have the gifts to help with our website, please contact Pastor. Our website is essentially our front door and we want to make it as open as possible. We are looking for help with finding and posting pictures, keeping the events current, sharing important news, and providing information for guests and members.

Encourage Each Other: If you haven't spoken with one of your Trinity family members recently, give them a call! Ask them how they're doing. Read God's word together. Pray with them. Just share your time and your life together so we're not going through this alone. Ask if there is something they need. If there is and you can't help with it, contact the church office. We have a whole congregation full of caring people who can help.
